President's Truth - PLEASE ASK...We belong to a large but active club, the Mishawaka Lions Club. I, as well as the rest of you, am proud of our many service projects and the charities we support. I am still amazed at the number of you who show up to work at all of our functions. We are not a group of slackers. - Jokers, yes, but you have got to have fun! – The continued success of our club depends on members, new as well as older ones, stepping forward to volunteer to not only work but to offer leadership. Please do not be shy. If you have an idea, or wish to help in a position of leadership, tell a club officer. We need your help in order to continue **To Serve**.

- **Lion President, Don Mann**
