June Birthdays are being celebrated by the following Lions: Gary Metzler 6/2; Dean Johnson 6/7; Dave Kriegel 6/9; Mike Rans 6/14; Chris Curtis 6/16; Don Quimby 6/24; Trellis Porter 6/25; Susan Haynes 6/27

President's Truth - The truth is I have been so honored to serve as your president. I am proud to show and tell others about my club, its many projects, the help we give to individuals and groups in this community, as well as what Lions contribute in our state and around the world. But I am most proud to brag about the people in my Mishawaka Club. I am always amazed that so many show up to work on projects. We have members who give so much time planning, making arrangements, getting others together, and then doing the "heavy lifting." Many of our members faithfully do those so called "behind the scenes jobs" that often go unnoticed. Our club works hard, is kind to each other, it cares about people in need, and laughs a lot. Our motto is ***We Serve***. I have been proud to serve as your president. Thank you for your help and kind words this year.

Sorting Eyeglasses: A Hands on Project

What happens to all those eye glasses that we collect? First they must be sorted. Want to know how? Call John Krzyzanowski (John K) at 574-272-9492. They meet on Thursday evenings. John K also takes a group to Mexico for a week long Lion project to distribute eye glasses.
