February Birthdays are being celebrated by the following Lions:

Al Beutler 2/20, Bryan Borger 2/26, Jim Carpenter 2/5, Dick Currey 2/4, Bob Hall 2/24,
Andrea Natali 2/6, Stan Walters 2/6, Marcia Wells 2/12

President's Truth – Since Valentine's Day is in February, it is traditionally known as the month of love. This generally refers to the love for someone special to us, whoever that may be. Yet, in another sense, Lions everywhere show their love for others throughout the year by living up to the motto, "We Serve." I think that we Lions can feel proud of all the various projects and donations that we participate in year after year. Let's make it our goal again this year to do everything we can possibly do to help and show our love for others.

– *Lion President, Rich Amacher*

Save the Date for Bike the Bend – Sunday, May 15!

This year's Bike the Bend event is scheduled for Sunday, May 15, and the Mishawaka Lions have a great opportunity to serve our community, attract new members and raise some needed funds! The Lions Board has accepted the opportunity to host the pancake breakfast at St. Patrick's County Park from 6am to 10am, to serve a free breakfast to the thousands of riders that will be registered to ride.

Now, in case you're worried about that word, *thousands*, that does not mean that everyone registered for the bike tour will be at St. Patrick's County Park for the free breakfast. Bike the Bend will be responsible for the costs to host the breakfast...all we need to do is provide our serving equipment and the Lion-power! In exchange for our group volunteering to make this breakfast possible, we can put out buckets to collect a free will donation and have membership information available.

What a GREAT service project for the Mishawaka Lions Club!
